

REMOTE DEPOSIT

The daily routine of a business owner requires you to prioritize tasks so that you can focus on running your business. Sometimes this can present challenges in managing tasks which leads to delaying lower priority items like creating deposit tickets or visiting the bank. While checks might only collect for a day or two, those incoming funds are vital to your operations. By utilizing our Remote Deposit service, you can take control of your deposits and speed up your cash flow.

With a desktop scanner, you can take care of all steps in your deposit process anytime, anywhere:

- **REDUCE TIME**
and improve workflow
- **ENHANCE CASH FLOW**
Free up working capital with timely deposits
- **REDUCE TRANSPORTATION COSTS**
